

Carte de Noël tressée

Weaving Christmas card

3 feuilles de Papier 120 g
(couleur blanche, rouge et grise)

3 sheet of medium-weight paper
(white, red and grey paper
colour)

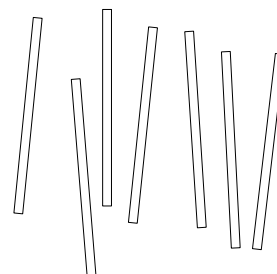

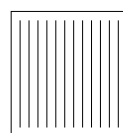

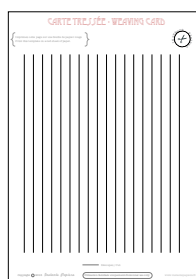

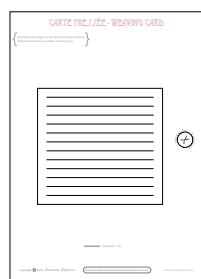

2h00

INSTRUCTIONS

Imprimez et découpez
Print and cut

Imprimez le gabarit de la carte et des bandelettes de papier. Utilisez un cutter pour coupez les bandelettes de papiers et les lignes droites de la carte.

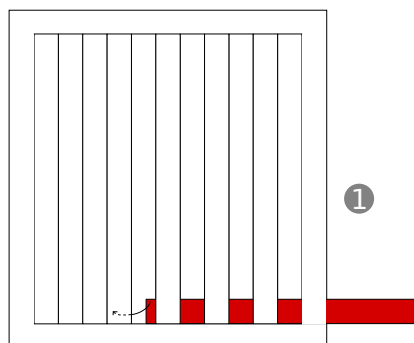

Print all template onto the paper following the colour indication. Cut the vertical lines of your card and the paper strips with your cutter.

Passez les languettes en alternant dessus/dessous en vous référant au dessin page 4. Une fois terminé, coupez les bandes qui dépassent du cadre. Collez les bandes à l'arrière.

Start to add the red strip by alternating front/back, following the pattern on page 4. Cut the strip to fit in the back when finish. Glue in the back when finish.

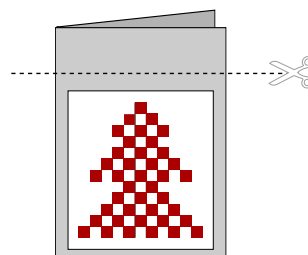

Assemblez
Assemble

Pliez votre feuille grise en 2, collez votre carte blanche dessus. Découpez le surplus de papier gris pour un fini harmonieux.

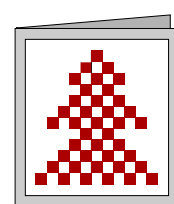

Fold your grey sheet of paper in half. Glue your white card onto your grey card. Cut the grey card to have a better look.
