STING

In Europe and America, there's a growing feeling of hysteria

Conditioned to respond to all the threats

In the rhetorical speeches of the Soviets

Mr **Krushchev** said we will bury you

I don't subscribe to this point of view

It would be such an ignorant thing to do

If the Russian love their children too

How can I save my little boy from **Oppenheimer's** deadly toy

There is no monopoly of common sense

On either side of the political fence

We share the same biology

Regardless of ideology

Believe me when I say to you

I hope the Russians love their children too

There is no historical precedent

To put the words in the mouth of the president

There's no such thing as a winnable war

It's a lie we don't believe anymore

Mr **Reagan** says we will protect you

I don't subscribe to this point of view

Believe me when I say to you

I hope the Russians love their children too

We share the same biology

Regardless of ideology

What might save us me and you

Is that the Russians love their children too
